

# Changsheng Li's Curriculum Vitae

**Changsheng Li**

**Associate Professor**

**Affiliation:** Beihang University

**Department:** School of Instrumentation Science and Optoelectronic Engineering

**Research interests:** Optical fiber sensor; Physical optics; Optical measurement; Optical devices, etc.

**Education:** 1986.09~1990.07, B. Sci., Department of Physics, Beijing Normal University, Beijing, China; 1994.09~1997.03, M. Eng., Department of Electrical Engineering, North China Electric Power University, Baoding, China; 2000.04~2003.03, Ph. D, Department of Electronic Engineering, Gunma University, Kiryu, Japan

**Career:** 1990.07~1994.10, Assistant professor of Physics, Hebei Agriculture University, Baoding, China; 1994.10~2004.12, Assistant professor and lecturer of Electrical Engineering, North China Electric Power University, Baoding, China; 2003.04~2004.04, Research associate and postdoctoral fellow, Hong Kong Polytechnic University; 2004.12~, Associate Professor of Optical Engineering, Beihang University, Beijing, China

**Professional Membership and Service:** 2000-, IEEE member, 2005-, IEEE Senior Member; 2001-, OSA member; 2001-, SPIE member, 2011-, SPIE Senior Member; 2003-2008, Member of Editorial Advisory Committee, Optics & Photonics News, Washington, the OSA; 2009-2011, Member of Invited Editorial Board, Study on Optical Communications, Wuhan, China; Session Chair of optical measurement, international conference "Photonics Asia 2010", Session Chair of optical fiber sensor, international conference "Photonics Asia 2012".
